

PowerSchool Parent Portal

rev. 8/19/2014

Accessing the PowerSchool Parent Portal

- To access PowerSchool Parent Portal go to the Salt lake City School District website (<http://www.slcschools.org>) and click on 'Parent-Student Portal'.

Creating an Account

- Click on the 'Create Account' button to create your username and password. If you have already created an account, simply select the desired language, enter a username and password, and click 'Sign In.'

A screenshot of the PowerSchool Parent Portal sign-in and account creation page. The page is titled 'Parent Sign In' and features a form with the following elements: a 'Select Language' dropdown menu with 'English' selected; a 'Username' text input field; a 'Password' text input field; a 'Having trouble signing in?' link; and a blue 'Sign In' button. Below the form, there is a bold message: 'If you are having trouble logging in, please contact your student's school.' At the bottom of the page, there is a 'Create an Account' section with a brief description: 'Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences.' and a 'Learn more.' link. A blue 'Create Account' button is located at the bottom right of the page, with a mouse cursor pointing at it.

- Enter your first name, last name, email, desired username, and password.
- An email address is required. Free email addresses can be obtained from Google (Gmail), Yahoo, Microsoft (Window Live Hotmail), and other email websites.
- Passwords must be at least six characters long.

Link the account to your students

- Enter your student’s first and last name as it would have been entered in PowerSchool.
- Enter the access ID and password for that student. A student’s access ID and password are the same username and password that you used to log into the Parent Portal during the 2011-2012 school year. The student’s school will also be mailing the student’s access ID and password to you. If you have more than one student, each student will have their own access ID and password.
- All of your students can be associated to one username and password
- Lastly, select your relationship to the student and click ‘Enter’
